

**Ignite Your Productivity!**

The SmartDraft 9 Individual Commands are powerful tools to add to your drafting toolbox for AutoCAD 2009 - 2012 / Civil 3D 2009 - 2012 / Map 3D 2009 – 2012 / Land Desktop 2009

**Note:** SmartDraft will **NOT** run in any version of AutoCAD LT.

**Note:** SmartDraft 9 Individual Commands cannot be loaded with SmartDraft Suite, Survey, or PConnect.

**Important:** The installation **does not** automatically load the SmartDraftSolo menu. After installation, open AutoCAD, start the CUILOAD command, and select the SmartDraftSolo menu in the <installation folder> per the AutoCAD Setup instructions below.

**Important:** Install all SmartDraft Individual Commands in the same folder.

## SMARTDRAFT MANUAL

The [SmartDraft Manual](#), in PDF format, is in the SmartDraft's installation folder.
